

EWR55 0729

Newark Airport

344 Brewster rd.

Newark, NJ

(973)681-6130

This is a basic location address but not exact. It is more to the west of this location

78 East local lanes to Exit 57... Stay straight for airport terminal exits... follow around to the right keeping in the far right lane for the exit 1-9 North... very sharp curve to the right... once it straightens out take the second exit on the right for the South Area... keep to the right for the stop sign which is before the stop light... make a right turn on Brewster and follow straight... UPS on the left hand side.

When leaving... make a right out of the UPS center.... Follow the road and stay to the left for a U-turn break in the road.... Once you completed the U-turn follow the signs for 78 west.

****Key to getting there is to follow airport signs for the south area****
